

## **After-School and Night Study: First Term (August- December) 2018**

After-School and Night Study provide the opportunity for students to work and study quietly in a secure, supervised environment. There are two separate sessions:

- After-School Study runs on Mondays, Tuesdays, Thursdays and Fridays from 3:30-6:00 (1:30-4:00 on Wed.) and is supervised by Mr. Latvis and Mr. Porzadny. It is open to all students.
- Night Study runs on Mondays and Thursdays from 6:30-9:00 and is supervised by Mr. Maguire. It is restricted to Third through Sixth Years.

The two programmes are run and paid for separately (through Easypayments on [stconleths.ie](http://stconleths.ie)) but students are welcome to do both. There is a discount for certain (but not all) combinations, as detailed below.

- 1) Students must start and end study at the prescribed times. No late arrivals or early leavings, without pre-arranged and documented approval.
- 2) There will be one scheduled break for the toilet and a snack. Only water may be consumed in the Study Room.
- 3) A student must bring all necessary books with him at the start of the period or at the break. Students should always have an extra book, in case planned work is completed.
- 4) Phones will only be used in Study under special circumstances, arranged with the Supervisor. Misuse will result in confiscation.
- 5) No talking. At all. This is not a social club or a tutoring session. It is for quiet homework and revision.
- 6) Mr. Latvis may be contacted at [latvisc@stconleths.ie](mailto:latvisc@stconleths.ie) and Mr. Maguire at [maguireg@stconleths.ie](mailto:maguireg@stconleths.ie).
- 7) Attendance will be monitored in the following fashion.
  - a. Students' Journals will be stamped at the start of study by the supervisor.
  - b. During each study session, parents will receive an email attesting to their child's presence at study. No email = your child is absent.

After-School Study starts this Thursday (30/8). Night Study starts next Monday (3/9). Thank you.
