

## After-School and Night Study: Second Term (January-May) 2019

After-School and Night Study provide the opportunity for students to work and study quietly in a secure, supervised environment. There are two separate sessions:

- After-School Study runs on Mondays, Tuesdays, Thursdays and Fridays from 3:30-6:00 (1:30-4:00 on Wed.) and is supervised by Mr. Latvis and Mr. Porzadny. It is open to all students.
- Night Study runs on Mondays and Thursdays from 6:30-9:00 and is supervised by Mr. Maguire. It is restricted to Third through Sixth Years.

The two programmes are run and paid for separately (through Easypayments on [stconleths.ie](http://stconleths.ie)) but students are welcome to do both. There is a discount for certain (but not all) combinations, as detailed below. (Please wait until the new options are available on Easypayments before you pay. We will notify you when they are available.)

### **After School Study (Mr. Latvis): 3.30 - 6:00 (Jan-May)**

Option 1: 1 to 3 days per week - €260

Option 2: 4 to 5 days per week- €360

### **Night Study (Mr. Maguire): 6.30 - 9:00 (Jan-May)**

Option 3: Monday Nights ( 13 sessions)- €104

Option 4 : Thursday Nights (17 sessions)- €136

Option 5: Both Nights (30 Sessions)- €225

### **Study Combination (with discount) (Jan-May)**

Option 6: Option 1 + Option 5- €442

Option 7: Option 2 + Option 5- €522

All attendees, and their parents, must agree to the following rules and conditions before being allowed entry:

- 1) Students must start and end study at the prescribed times. No late arrivals or early leavings, without pre-arranged and documented approval.
- 2) There will be one scheduled break for the toilet and a snack. Only water may be consumed in the Study Room.
- 3) A student must bring all necessary books with him at the start of the period or at the break. Students should always have an extra book, in case planned work is completed.
- 4) Phones will only be used in Study under special circumstances, arranged with the Supervisor. Misuse will result in confiscation.
- 5) Chromebooks are available for student use. They will be supervised but it is virtually impossible to assure that the students are staying 'on task' 100% of the time when they have a Chromebook. If you prefer that your child not have access to a Chromebook, please let us know.
- 6) No talking. At all. This is not a social club or a tutoring session. It is for quiet homework and revision.
- 7) Mr. Latvis may be contacted at [latvisc@stconleths.ie](mailto:latvisc@stconleths.ie) and Mr. Maguire at [maguireg@stconleths.ie](mailto:maguireg@stconleths.ie).
- 8) Attendance will be monitored in the following fashion.
  - a. Students' Journals will be stamped at the start of study by the supervisor.
  - b. During each study session, parents will receive an email attesting to their child's presence at study. No email = your child is absent.

Night Study starts this Monday (7/1). After-School Study starts this Tuesday (8/1). Thank you.
