How I am feeling

I am feeling good and happy.

What I am most thankful for

I am thankful that my family is safe. I am happy that the internet is working.

What I have learned most from this experience

I have learned that my health is important and so is social distancing and washing our hands to kill the virus. I have to always look after my health,

cough in my elbow, wash my hands well and make sure my health is in good shape. The world is really connected.

3 things I am most excited to do when this is over

To leave Ireland and go on holidays, meet my friends and family members.

What I do to help me feel connected

I chat to my friends on Whatsapp

What I do to have fun outside

I go out to walk my dog, Heidi.

What I am doing to keep busy at home

I am doing my school work and I look forward to getting my own PC. I game and I watch videos on youtube.

Special occasions we celebrated during Covid-19 lockdown

We celebrated: My Mum's birthday, Mother's Day, Easter
