

Exam Information for Students Christmas 2020

- Exams take place from Nov 23rd to Nov 27th with some exams on Fri 20th for some 1st, 2nd and 3rd years.
- Students will be doing all exams in the room there they have form class (with few exceptions – see plan), seated at the same desk.
- Students should be at their desks from 8:20 to 10:20 and 10:45 to 12:45 each day of exam week, if they are taking the scheduled exam. There will be a 25 minute break between exams.
- If a student is not taking the scheduled exam, they should go home.
- Exams may not use the full 2 hour block (consult with subject teachers for exam length) but time will be needed for distributing and collecting papers safely. Students may study before an exam if the scheduled exam is less than 2 hours.
- It's important that all students are in school at 8:20 each day.
- Please make sure that normal Covid-19 protocols are adhered to at all times.
- Normal school rules apply during exams (full uniform must be worn).
- Students should have all their equipment needed for exams – pens, geometry sets, calculators etc cannot be shared between students.
